

To: Catoosa Soccer Club Parents, Players & Coaches
From: CSA Board Members

All,

As we wrap up another season, I am filled with joy thinking about all that we've accomplished and the potential for where we can go as a Club in 2023-24. First off, on behalf of the entire board, thank you for putting your trust in this organization to ensure that the players have the best youth sports experience possible.

The past several months have been memorable for both the big and small moments, so I am excited to close out another season by sharing some of our highlights with you.

- We almost doubled our # of players/teams from prior year finishing the season with 14 teams (3x U6, 4x U8, 5x U10, 2x U12)
- We applied for and received a grant to pave the parking lot
 - This project was a team effort and partnership with the Catoosa Chamber of Commerce, The City of Catoosa, Cherokee Nation, and Rogers County.
- Provided scholarship opportunities from Dick's Sporting Goods
- Formed relationships in the community
 - Magellan Midstream planted 6 new trees at the complex for Earth Day
- Added more practice & game fields and gave the existing goals a makeover
- Welcomed 6 new refs
- Facilitated a club wide fundraiser – 'Pick A Day & Donate' Calendar
 - Thank you to **all** that participated, as these club wide fundraisers are crucial to the growth & upkeep of CSA. We had big dreams of getting player benches for the game fields this year but came up short.
 - Although participation was minimal, we still raised \$2,271 for the club!

While we celebrate the success of past seasons, this is only the beginning. We aren't done building. We aren't done improving. We will continue growing the club and building relationships in the community to further solidify the success of Catoosa Soccer Association.

Looking forward to a fun-filled, successful Fall season!
